Dear Brian:

We write regarding PJC Logistics, LLC's ("PJC") supplemental infringement contentions concerning XATA Corporation ("XATA"), which we received around midnight last night.

We are in the process of reviewing these supplemental materials. At this time, we do not believe that any amendment to the Court's current briefing schedule is necessary, and that the parties should comply with the schedule set forth by the Court during the March 22nd status hearing, i.e., that the parties should simultaneously file briefs on any outstanding issues with respect to PJC's infringement contentions on April 30th.

Please be advised that, based on our preliminary review, it does not appear that PJC has adequately addressed all of the issues identified in our April 2nd correspondence, so as to fully comply with the Court's prior orders. (*See, e.g.,* Dkt. No. 44 at 2.)

Very truly yours,

/s/ *David A. Gerasimow*
